Stories About Alumni

Time passes, however, so many memories remain. No matter if you graduated with the first class of the School of Nursing or just stepped foot off a Kent State campus as a new graduate of the College of Nursing, we want to stay in touch! Although we realize we cannot possibly have our more than 5,000 alumni together at one time, we hope to reconnect with you through *On Nursing*. In this publication, we will update you on our growth, our vision, and our very proud and bright future. The magazine will also contain news on our students, news on our faculty research and awards, as well as news on alumni such as you. *On Nursing* will make you proud to be part of the Kent State University College of Nursing. We look forward to reconnecting with you!

Please contact Kathy Donchess, marketing coordinator, at 330-672-8747, if you have a story to share. Or send us your story. You can use the self-mailer or e-mail to us at on_nursing@kent.edu.
